The mission of Full Armor Supportive Care, LLC is to actively be of service to the community and act as an inspirational model of living and working in the community. Full Armor Supportive Care will provide sound therapeutic care to both adults and children utilizing quality person-centered support at all times. They aim to do "with" and not "for" whenever possible. Their purpose is to provide assistance to individuals accepted into the program in achieving their goals using qualified professionals that build natural support systems. They believe in adding support as needed and support building by focusing on the strengths of each individual. Full Armor Supportive Care serves children, adolescents, and adults who have been diagnosed with developmental and intellectual disabilities; with Medicaid Waivers or who will utilize private pay when approved. The primary objective is to provide

exceptional, person-centered, and skilled therapeutic services to children and adults with complex medical and behavioral needs. Full Armor Supportive Care will utilize a person-centered approach, which incorporates social history, comprehensive mental health assessments, and the development of an individualized treatment to allow an individualized focus on the individual.
