\$0.00

Event Description

Greening Your Goodby webinar will be on Wednesday, April 17, 2024, from 12 noon until 1 pm.

Are you curious about eco-friendly funeral and burial choices? Join our us for a live and interactive discussion with Shari Haber, Founder of Great Goodbyes and discover how to make a positive impact on the environment in your final wishes,

- Funeral practices and burial options that minimize environmental impact
- Greener body care choices like water cremation and human composting
- How to discuss your green after-death wishes with loved ones

Register.
