VersAbility's Copeland Site provides comprehensive Day Support Services designed to empower individuals with disabilities through engaging, structured, and person-centered activities. Our program fosters independence, social interaction, skill development, and overall well-being in a supportive and inclusive environment.

At the Copeland site, individuals participate in a variety of activities tailored to their interests and needs, including life skills training, which enhances independence through activities such as money management, communication skills, and self-care.

- Community Engagement – Encouraging social inclusion through volunteer opportunities, outings, and partnerships with local organizations.

- Health and Wellness Programs – Promoting physical and mental well-being through exercise, nutrition education, and mindfulness activities.
- Creative and Recreational Activities – Providing opportunities for self-expression and enjoyment through arts, music, games, and special events.

Our trained staff ensures that each individual receives personalized support while fostering an environment of respect, dignity, and inclusion. VersAbility's Copeland Site is a place where individuals can thrive, build meaningful connections, and lead fulfilling lives within their community.
