

Animal Services

Programs including service dogs, hearing dogs and pet therapy to help individuals who have disabilities increase their mobility and independence and/or maximize their ability to communicate effectively. Programs also include services related to the wellbeing and care of animals such pet food pantries, discounted veterinarians services and animal welfare organizations.

Article

Service Animals

The ADA explains what businesses and state/local governments must do to make sure that they do not discriminate against a member of the public with a disability who uses a service animal.
