### **Vocational Rehabilitation Self-Employment Guide (Multimedia Website)**

The VR Self-Employment Guide is a multimedia website designed to help people with disabilities and vocational rehabilitation counselors understand the self-employment process. It provides a way for consumers and counselors to assess self-employment readiness and guides them through the process of developing a business plan. The website is self-directed, and can be used by individuals on their own or with the guidance of a vocational rehabilitation counselor or mentor.

## **Employment Concerns [Aging Well with a Physical Disability Factsheet Series]**

The fastest growing age group in the U.S. is over the age of 65, and the number of older adults staying in the workforce after retirement age is increasing. Disabilities and chronic health conditions are common in older adults, but there are resources to help people with physical disabilities overcome barriers to employment.
