

Programs that provide support for children with disabilities who are moving from one kind of program setting or service provision system to another. The common transition points include transitions from health services to education or vice versa, from preschool to kindergarten, from elementary school to middle school, from secondary school to adult life and from more restrictive to less restrictive settings.

Videos

Effective Job Accommodation Products and Services

The Job Accommodation Network (JAN) has Solution Showcase videos that show examples of products and services that can be used as effective job accommodations. Recent topics include "Compact Material Handling," "Video Remote Interpreting and Video Relay Services," "Simulated Skylights," "Supine Workstations," "Dual Channel Headsets" and "Timers."
