

Transportation, Private Paratransit and Flexible Schedule

Private programs that provide flexibly scheduled transportation for community residents who are unable to use the fixed-route public transportation system. The services may be used by the general public or limited to special populations such as older adults and individuals with a disability.

The ADA and Accessible Ground Transportation

The Americans with Disabilities Act (ADA) applies to both public and private ground transportation providers. The ADA rules that apply to transportation are regulated by the U.S. Department of Transportation.
