Retirement and Aging for People with Intellectual, Developmental, and Other Disabilities

The Institute on Community Integration (ICI) at the University of Minnesota has released an Impact feature issue on Retirement and Aging for People with Intellectual, Developmental, and Other Disabilities. This issue of Impact explores aging and retirement and urges policymakers, researchers, and others to create healthy, integrated retirement opportunities for this population. Individual articles discuss advocacy and equality during and after retirement, critical needs and unanswered questions during retirement, a conversation on aging and disability, and more.
