

[Transportation](#)

Transportation helps people get where they need to go. There are a wide variety of transportation services available in the Commonwealth of Virginia, including local public transit and paratransit, long-distance transportation, human services transportation, and transportation provided by private companies such as taxis and ride app services.

Visit our [Transportation Guide](#) to read a brief description of the various transportation options available.

Explore the various topics below or search the [‘Virginia Transportation Finder’](#) to locate transportation providers near you.

Virginia Medicaid Transportation Services

Transportation is covered by Medicaid when you do not have another way to get to your doctor appointment or other Medicaid services. It is available for Medicaid members who are part of our managed care health plans as well as members in our fee-for-service program.
