Human Services Transportation

There are many transportation services options designed to meet the unique needs of specific populations including non-emergency medical transportation and transportation to specialized programs. These services may only be available to specific populations, such as seniors or individuals with disabilities.

Virginia Medicaid Transportation Services

Transportation is covered by Medicaid when you do not have another way to get to your doctor appointment or other Medicaid services. It is available for Medicaid members who are part of our managed care health plans as well as members in our fee-for-service program.

[Why Mobility Managers Can Be Transportation Game Changers](#)

Mobility managers are transportation coordinators for older adults, people with disabilties, veterans, and other members of the riding public. They can help people "find a ride" by connecting them to transportation options in their communities.
